Dear Mark & Joanne,

Firstly I do hope this is not too late, I have been on holiday.  
I would like to thank the Committee for inviting me to judge at the West of England Bull Terrier Club Trophies.

I was delighted to award The Ormandy Box for Dogs to:

Smalley, True Bravado of Briden

Well balanced white dog in beautiful condition, strong well filled head with wicked eye and expression, ears right on top and he used them well. Good reach of neck and lovely straight front. Nice body lines and good rear angulation, correct tail set. Moved well when he settled. Bodes well for the future.

.....

Runner up

Mitzstaff Diamond White.

.....

Valkyrie Trophy for Bitches

Morgans Rogmana Parisienne Walkway.

Upstanding Black Brindle bitch, with well filled head, but not over exaggerated, reachy neck, and well laid shoulders, good spring of rib, and well bent stifles. Feet a little untidy. Moved better going away.

B.O.S. and winner of The Johinkska Trophy  
My co judge Mrs Juliet Shaw was in total agreement the dog.  
Leys Virtuous Brute Force of Fortifer was clearly the winner of The Valkyrie Trophy
