

WEST OF ENGLAND BULL TERRIER CLUB
SINGLE BREED OPEN SHOW
PUCKLECHURCH SUNDAY 19TH SEPTEMBER 2004

Many thanks to the committee for their kind invitation and for the splendid way the whole day was organized. Thanks also to all competitors for the sporting manner in which all awards and placings were received. Some may have felt it would have been advisable to keep my glasses on all the time, rather than just for writing the critiques, but they were far too polite to say so. I found a wide variance in type; most mouths were correct, movement in general average for the breed and very few animals showed any signs of nervousness.
