

The West of England Bull Terrier Club

Championship Show

March 19th 2006

Judge: Mrs J Phillips

I would like to thank the committee for their invitation & warm hospitality. This was my first Championship show judging appointment & I was delighted with my winners. The entry was excellent in quality & quantity, quality was especially prevalent in the bitches. Temperament & mouths were generally quite good but hind movement needs to improve.

Special Beginners Dog (4 entries)

1. Woodward's **Chartay Crowning Glory**. Typy brindle & white terrier type dog. Immature compared to 2 but compact with lovely round bone & cat feet. Good profile with finish. Tiny eye & good expression. Slight mouth fault. Moved better coming than going but covered the ground.
2. White's **Cwmdulais What's It All About**. Classical white dog with eye patch. Lovely filled & turned head with good mouth. Front & feet not his fortune. Longer in back than 1 & topline not good on the move. Moved quite well but lacked drive.
