

25-09-2009

I would like to express my gratitude to the organizing committee for the privilege that was granted to me.

Being from another land, it was an honour to come and judge in the home country of the Bull Terrier.

I would like to thank all those who helped in organizing this event with a special thanks to all the stewards. I will remember this day as one of my best and I already look forward to seeing you all at future events.

Yours sincerely,

M. van den Broek.
